RIMONIM ART GALLERY

Twenty-six international artists participating in the exhibition "Personal Structures" during the **56th Venice Biennale, 2015** where invited by the "Dutchartists" group to take part of this worldwide, itinerant exhibition.

The artists were asked to make a unique artwork with just one condition: **it should fit in a "PIZZA BOX"**.

"Taste the Future" will have its first exhibition out of Venice at Rimonim Art Gallery and you are welcome!
